<< ATHENA >>

Athena is a dynamic, laptop-driven presentation podium with a large, wood-framed desktop and an inset leather panel; removable for laptop storage and plug-in. An optional Laptop Drawer expands the desktop, while other options such as an Electric Lift Mechanism and an LCD Marquee make Athena a truly unique podium.

GENERAL SPECIFICATIONS

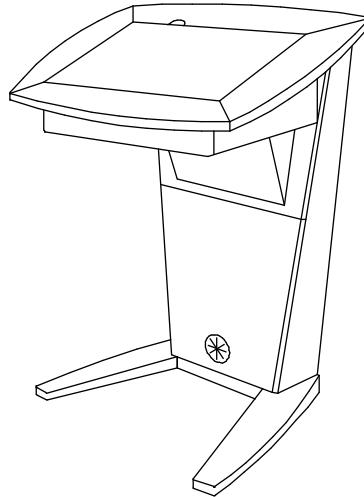

1. Athena Podiums have integrated wiremanagement, venting and options for portability, storage and display.
2. Athena Podiums are standard in (5) solid woods:
 - A. Quarter-sawn Maple.
 - B. Quarter-sawn Oak.
 - C. Plain-sawn Cherry.
 - D. Plain-sawn Walnut.
 - E. Ribbon-Striped Mahogany.
3. Custom woods and finishes are available.

A. ATHENA PODIUM / STANDARD UNIT FEATURES:	PODIUM / Size	\$LIST
---	----------------------	---------------

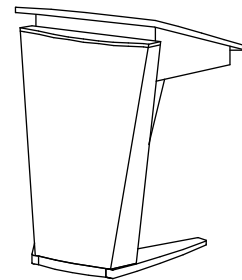

1. **Angled Desktop** / Mitred Hardwood Frame with (removable) BROWN Leather Insert Panel: **Laptop Storage** under panel includes a Power Strip with:
 - (4) AC Outlets

3. **(5) Standard Wood Species Options:** See General Specs above. Same woods and finish colors are available as on the Aegis Podium.

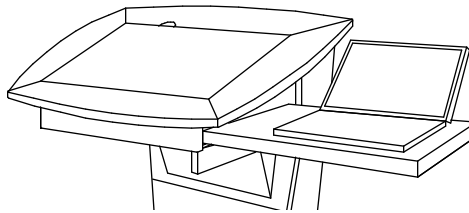

A. ATPod 2830.STD \$5,489
30"W x 27"D x 37"-47"H
Athena Podium 3027.STD
includes all the standard features noted in the description at << LEFT.

ATHENA PODIUM / OPTIONS

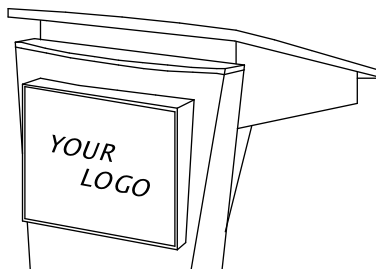

5. The **Laptop Drawer** expands the Athena desktop while providing secure storage for a resident laptop. The drawer is built into the right side of the cabinet below the desktop. The drawer will accomodate a laptop with up to a 15.4" diagonal screen and is mounted on 100#, full extension drawer slides for minimal vibration while in use.

Option / Model No. \$LIST

5. ATPod LAP.DRW \$495.00
Athena Laptop Drawer

6. The **Logo Marquee** is a wooden shadowbox on the approach side of the podium. The box is approximately 16"W x 13"H inside. The customer may insert their own printed logo at their discretion.

6. ATPod LOG.MARQ \$275.00
Athena Logo Shadowbox

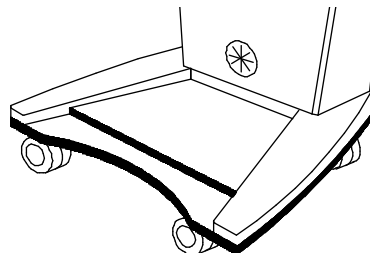

- 6A. The **LCD Marquee** is the same shadowbox with a built-in 19" Flat Panel (Acer) Monitor. This monitor is wired internally and ready to connect to your laptop. Suggested uses: Display variable logos for different events, Powerpoint slide shows, etc.

6A. ATPod LCD.MARQ \$975.00
Athena Logo Shadowbox with built-in 17" Flat Panel Monitor

7. The **Electrically-assisted Lift Mechanism** allows the user to raise the desktop from 37" to 47" (measured at user's side) by means of an easily accessible switch. The desktop will stop at any point in between as well.

7. ATPod ELA.LMCH \$995.00
Electrically-Assisted Lift

8. The **Athena Trolley** is a dedicated furniture dolly with a trapezoidal shape that locks into the base configuration for safe transport. The trolley has a finished appearance allowing it to remain under the podium if desired.

8. ATPod TPZ.CMDY \$350.00
Custom Furniture Dolly
