## << INTELLECT >>

*Intellect is a compact, yet expandable, presentation lectern designed around a document camera drawer with space for 'on-board' electronics.*

*Similar to Mobilis, Intellect expands in a modular format allowing for growth and change to your lectern configuration as your technology needs become more sophisticated.*

## GENERAL SPECIFICATIONS

- Intellect Lecterns have integrated wiremanagement, venting and casters and a "passthru" capability when specified with accessory cabinets.
- Intellect Lecterns are standard in plastic laminate:
  - Vertical panels are Nevamar #MR-6-7T "Phantom Grey Matrix". All trim is Black.
  - Horizontal panels are available in (6) Standard (and 3 Optional) Laminates.
  - See Intellect Finishes Page for Standard Laminates and alternatives.
